## Club Calypso apartments Puerto del Carmen Lanzarote Description

The apartments are comfortable and fully equipped so that you find everything you need for a fabulous stay. All apartments face the pools and gardens giving Club Calypso it's relaxing atmosphere.

The apartments are one bedroom with large wardrobe, a comfortable lounge with Satellite TV, a fully equipped kitchen with microwave, large refrigerator, freezer and ceramic hob and one or two bathrooms. Each apartment has its own private terrace, which faces our large swimming pool and colourful flower filled gardens.

The friendly, relaxing ambience is probably the first impression you get of Club Calypso. Make new friends at the pool, read a book at the solarium, have a chat at the bar or simply enjoy a sunbathe on your own private terrace.

The kids have great fun in our Mini-Club where staff are in attendance. They can cool down in the children's pool and keep on playing with their new friends. (Please check availability)

The high self-catering standard of your apartment allows you to enjoy privacy at your holiday home whenever you want. Have a cup of tea or a cool glass of champagne on your terrace or watch your favourite sport event on the Satellite TV, its up to you.

If you don't feel like cooking in your apartment try the restaurant. Later at night you can watch and enjoy the daily live entertainment and have a drink at the bar at Club Calypso. If you have enough time, in a short walk takes you to the lively nightlife of Puerto del Carmen.

Close to beautiful sandy beaches

Club Calypso is situated just a couple of hundred metres, from the beautiful sandy beaches of Puerto del Carmen.

There are all types of water sports available and nearby you have the choice of several international restaurants, bars and shops.

After some relaxing days you might feel ready for some sports.

At Club Calypso you can find our dive centre Bubbles, a PADI 5 Star Gold Palm IDC Centre. The only dive centre in all of Spain with two resident English padi course directors. All courses from "Bubblemaker" for the kids right up to Staff Instructor.

The Mini-Club for children is fully equipped and supervised, including lots of organised activities, designed to keep them happy, and ensure you get a holiday too !

To explore Puerto del Carmen and its surroundings there is nothing better than a mountain-bike. The reception at Club Calypso can hire bikes and show you some interesting trails nearby. In Puerto del Carmen you can find any kind of sport or activity: tennis, squash, gym, go-karting, sailing, fishing and horse riding among others. The tourist resort is the starting point for organized excursions by boat, foot, bike, quad, jeep or bus.
